## Over Four Decades of Providing Quality Care & Education.

As your child reaches the 'official toddler' age, the professionals at Holmdel Preschool provide the age-appropriate challenges, lessons and materials necessary to foster increased confidence while building a sincere love for learning.

We take pride in delivering the highest quality care available to children from six weeks to six years old. Our care providers are Pediatric First Aid and CPR Certified.

We employ only Certified Teachers, even for infants. At Holmdel Preschool, we believe there is no room for compromise when it comes to caring for your children.

Our commitment to meeting the personal care and educational needs of your child is apparent in all we do, from the security of our facility to our developmentally appropriate curriculum.
